Overlook Jr. Golf Camp 2018

With another successful camp in 2017, Overlook Golf Course is proud to offer the Overlook Jr. Golf Camp for 2018. The program is designed to introduce children to the game of golf and get them started in a game of a lifetime. The program is open to boys and girls from the age of 8-17. This year we are limiting the enrollment to 48 junior golfers with those that were in the 2017 program first chance.

Each week the children will be permitted to play golf and receive one hour of instruction. Instruction groups will be kept small to maximize the learning experience.

Golf play dates will allow the junior golfers to get on course experience and become more comfortable on the course. Age and ability will be used to determine the number of holes played each week.
