

OLGA Operating Code – Effective January 2024

This is an addendum to the OLGA Constitution, thus providing the rules and regulations for the association.

2. Official league play will begin the third Tuesday, April 23rd and run thru October 15th.

3. Dues that are set in spring by the Executive Committee must be paid by the last week of March. The dues set for the *2024 golf season* is **\$75** and the amount due by all members who choose to play at Overlook regardless of the month they join OLGA and is non-refundable. (Special circumstances will be reviewed.) Dues must be paid by the end of March.
4. Weekly tournaments will be scheduled by the Golf Chairperson during the season. All league play will be conducted from the red tees (4,540 yards).
5. A minimum of 16 players must tee off and complete their round on Tuesday morning to constitute an official league tournament.
6. Prize money will be allocated based on the spread and number of players and golfer turnout for each flight. (See Guidelines for breakdown.)
7. A tie score will be broken by matching cards beginning with the number one handicap hole and continuing until a tie is broken (Hole 1, 17, 9, 15, 5, 10, etc.)
8. A tie putts score will be broken by matching cards beginning with the number one handicap hole and continuing until a tie is broken. (Hole 1, 14, 5, 17, etc.)

10. Do not sign your score card if a member of the group does not enter a correct score. Contact golf chairperson and a ruling will be made so the rest of the group can qualify for the weekly prize. A mistake in scoring may mean disqualification for prizes.
11. All OLGA league members will play from the **Red** tee box. Flights have been adjusted to reflect the following: **Flight A: 7 pt. spread; Flight B: 8 pt. spread; Flight C: 5 pt. spread, Flight D: 5 pt. spread; Flight E: 6 pt. spread** based on current handicaps.

Golf Scoring and Handicaps

1. The **unadjusted** score is the actual strokes you have on a hole. This is the score you put on the score sheet weekly. Don't forget to mark your birdies, eagles, & chip-ins on the appropriate sheet located in the ladies locker room. Pay your penny putts on Medal Play day or games identified that we are paying putts.
2. The **adjusted** score is the score **the Pro Shop puts into the computer** for all of your league rounds. **To adjust your score: Use Par +2 plus the number of strokes allowed for your handicap. It is recommended that you stroke a card at the beginning of the season. This will help with the number of strokes you have on each hole when adjusting your score each week.**

Becoming a Member of OLGA

Only 3 rounds of 18 hole play is needed to establish a handicap prior to becoming a member of OLGA. You must have a handicap of 48 or below to be approved for membership. (See Membership Chairperson for details.) OLGA uses the Golf Handicap Network (GHN) system for maintaining your handicap.

League Championship

1. Championship play will be held in the month of August for each flight.
2. The League Championship consists of 2 rounds of Medal Play in each flight. (See guidelines)
3. To be eligible for the Championship, a golfer must have played a minimum of five rounds of official league play prior to the championship date.
4. Modification to the minimum five rounds may occur due to inclement weather or illness.
5. The two day medal gross scores will be added together to determine the winners in each flight. Champion can come from any flight.
6. Ties for Overall Champion will be broken by sudden-death playoff to determine the winner.
7. All ties for 1st Place in other flights will be determined by a match of cards starting with handicap hole # 1. All other ties within all flights will split prize money.
