

Overlook Golf Course Monday Night 2 Man Team League

Length of Season

The Overlook Golf Course Monday Night Golf League is a 2-player team, match play league. The season will be 14 weeks long, running each Monday from June to the end of August. There will be 6 team divisions based on the total handicap of the team. After regular season play the top two teams from each division will play for the division championship. Divisional winners will then faceoff with one another until an overall league champion is crowned. A shotgun start at 5:30 PM every Monday. Hole assignments will be determined by the league administrator prior to the season. **The league is limited to 24 teams, 48 players.**

Registration

\$250 walking/\$390 riding fee per player. The registration period for returning players begins immediately and will last until March 15th. At that time all remaining spots will be given out to a first come first serve basis. All registrations will be handled at the golf course. Registration requires pre-payment of the league fees. Registration may be made in person with payment by check, credit card, or cash. Only registrations including the appropriate registration fees will be accepted. Registration forms are located in the golf shop and online. Registration includes greens fees and/or carts for the fourteen weeks as well as a USGA handicap, prize money, and an end of the season party. Individuals will be paired up to form a team if needed. Limited to 48 players maximum – REGISTER EARLY!

2-person match play league

The format for the 2020 league will be 1 best ball net, one best ball gross (can't be the same ball). Teams will be paired with another team each night which will be their opponent for the week. The 9 hole match will be broken into nine one-hole matches with a total of 2 point available for each hole. One point will be awarded for low net and one point awarded for low gross. If a hole is halved then each team will receive half a point. Winners of the match will receive an extra 2 points. A total of 20 points will be awarded in the match each night. Teams will play a different team each week. The teams with the best winning percentage in each division will advance to the playoffs. USGA rules will be played.

Handicaps

All players will receive 100% of their handicap. Team members may not have a handicap differential of more than 10 strokes. The lowest handicapped player in each match will then be reduced to a zero (scratch) and all other players in that match will be reduced by that amount. No player may receive more than 2 strokes per hole. **All players must play from the white set of tees** and therefore will receive their handicap from the white tees.

Scorecards

One team member per group will have the responsibility for maintaining the official scorecard for the round. That individual is responsible for accurately and clearly recording the scores of each player. Scorers will turn in the official scorecard at the conclusion of the round. It is each player's responsibility to verify the accuracy of his score at the conclusion of the round. Should there be a dispute relative to the interpretation of the rules, method of play, or incorrect handicap, such disputes shall be directed to the League Supervisor for a final ruling. **All scores will be posted into the handicap system by Overlook Golf Course**

League Extras

Each Monday night there will be one closest to the pin contest on hole #6. We will also have an end of the year event which will include some food and prizes.
