

2025 Overlook Golf Course Monday Night League

Format

The Overlook Golf Course Monday Night Golf League will be a 2-player team handicapped match play league. Both a singles matches and a four-ball match (better ball of partners) will be played weekly. All matches will be played using full handicap. Example: In a group where Player A and Player B represents one team and player C and Player D represents the opposing team, the lower handicap of Player A or B will play a singles match against the lower handicap of player C or D. The two higher handicaps of each team will also play a singles match against each other. At the same time there will also be a Four Ball Match (better ball of partners) between Players A & B vs Players C & D. A much friendlier scoring format then in the past years.

The season will run 14 weeks, teeing off each Monday from April 21st to August 4th with a 5:30 PM shotgun start. There will be 8 teams per flight based on the total USGA handicap of the team. The top 4 teams from each flight will make the playoffs, then flight winners will face of for overall MNL Champions.

Weekly hole assignments and matchups will be determined by the league administrator prior to the start of the season. **Golf Genius** will be used for all scoring purposes this year and automatic score posting. Rainout and makeups will try and be rescheduled after the end of the league but not guaranteed. USGA rules will be played each night, no touching of the golf ball unless directed by the golf staff.

A USGA handicap is required and is included with your league fees. All players will receive 100% of their handicap allotment with weekly adjustments being made if necessary. All play will be from the white tees.

Scorecards will be prepared weekly and should be turned in at the end of each league night. It is each player's responsibility to verify the accuracy of their score card and match card at the conclusion of the round.

League Extras

Each Monday night there will be a closest to the pin contest.

All subs must have a GHIN handicap to receive strokes or will have to play as a scratch player (no strokes). A sub list is maintained and will be sent along with info when the league starts. Please let us know if you are using a sub so we can prepare scorecard accordingly.
